# Twincat3 License 使用说明

Twincat 3 License Instructions
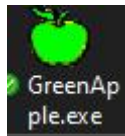

skype: twincatlicense

email:twincatlicense@outlook.com

使用说明 Instructions：

1.把 GreenApple.exe 文件解压到 D 盘或 E 盘任意位置，请不要放到 C 盘带 🔒 的文件夹中，此文件夹需管理员权限会影响程序运行。

Unzip the GreenApple.exe file to any location on the D or E disk. Do not put it in the folder 🔒 on the C disk. The folder requires administrator privileges, which will affect the operation of the program

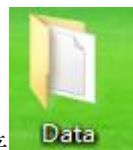

2.在 WIN7，WIN10 第一次运行本软件，请以管理员权限运行。在程序 上点右键->以管理员身份运行。
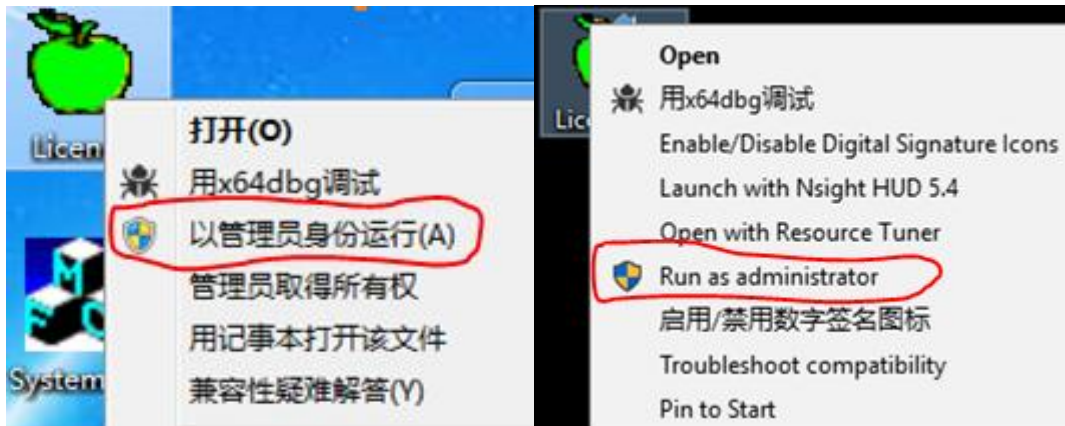

In WIN7 and WIN10, this software is run for the **first time**. Please run it with administrator privileges. Right-click on the program - > run as an administrator.

3.程序第一次以管理员权限运行后，会自动加入开机自动运行项，下次重启电脑时会自动动

行本软件，并在本软件目录下生成 Data 文件夹 ,请确认此文件夹是否自动生成。如果未生成此文件夹，请重新以管理员权限运行本软件。

After the program runs with administrator's authority for the first time, it will automatically add the boot-up auto-run item. The next time the computer restarts, it will automatically execute the software and generate a Data folder in the software directory. Please make sure that this folder is automatically generated. If this folder is not generated, please re-run the software with administrator privileges.

4.软件运行后，软件图标会出现在系统栏上 ,如果授权正常则显示绿色图标 并自动隐藏，同时按下 CTRL+ALT+SHIFT+F2 键,绿色图标将显示,授权不正常则为显示红色图标 ,当授权不正常时，查看 License Information 菜单中显示的信息并联系软件商（email:twincatlicense@outlook.com）。

After the software is running, the software icon will appear on the system bar. If the authorization is normal, the green icon will be displayed and automatically hidden,Press CTRL+ALT+SHIFT+F2 at the same time and the green icon will appear, and if the authorization is abnormal, the red icon will be displayed. When the authorization is abnormal, check the information displayed in the License Information menu and contact the software vendor (email: twincatlicense@outlook.com).
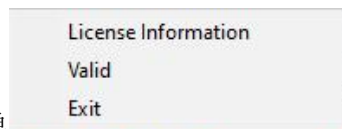

5.在系统栏图标上点右键，将出系统软件菜单

Right-click on the system bar icon and the system software menu will appear.

　　License Information:显示授权信息: Displays authorization information:
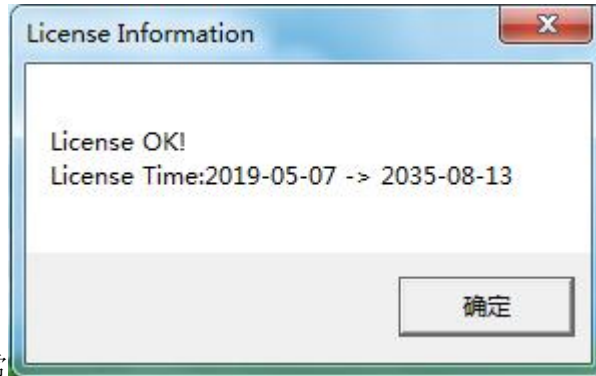

1） 授权正常 。Normal authorization.

2） No Data File (无 Data 文件)

请联系软件商（email:twincatlicense@outlook.com）请提供 SystemID,然后获得 Data 文件,然后把(**SystemID.data**)的文件放置在软件的 Data 目录中。删除此路径下的
C:\TwinCAT\3.1\Target\Licens\TrialLicense.tclrs 文件，**然后重启软件.**

Please contact the software vendor (email:twincatlicense@outlook.com) to provide the System ID, then get the Data file, and then place the file (**System ID. data**) in the Data directory of the software. Delete this path file
C:\TwinCAT\3.1\Target\Licens\TrialLicense.tclrs，**Then restart the software**.
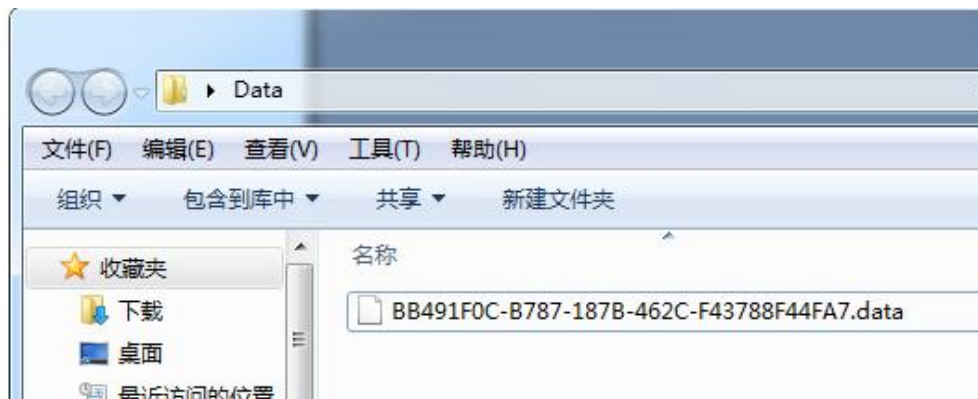

3) Data File Format Error!(Data 文件格式错误！)请联系软件商（微信号:twincat3license）重新生成 data 文件。
